

THE BRISTOL HOMELESS FORUM

WELCOME TO THE NEW BRISTOL HOMELESS FORUM

The Bristol Homeless Forum is changing. In response to a vote by our members BHF now offers a choice of individual or corporate membership and an improved programme of online information sharing and quarterly networking events.

Membership is free and is open to any individuals or organisations working to relieve the plight of homeless people in Bristol. We all know that working and volunteering in this sector can be very demanding and the new-style BHF seeks to offer its members the following benefits:

- **Online forums and web-based information hub**
 - **Shared information, expertise, training and support**
 - **Quarterly themed networking events at varying locations**

You can find more information on our website www.bristolhf.org.uk or by emailing us at BristolHF@gmail.com

Please follow the link to renew your membership or join us for the first time <http://eepurl.com/b-1Kij>

Can you help? If you have some time available and would like to help the Core Management Team with administration and event planning we would love to hear from you! Please email us at BristolHF@gmail.com
